Responsive to the Petition decision dated July 17, 2006 (copy attached), applicant resubmits the following:

Copy of Petition to Revive Patent Application -- Failure to Pay Issue Fee Unintentional (37 CFR § § 1.137(b) and 1.316)1 which was submitted via facsimile on 6 March 2006.

REMARKS

In the decision, the Petitions' Examiner indicates that the Petition to Revive filed on 6 March 2006 was not signed and did not contain a statement that the entire delay in filing the required reply from the due date for the reply until filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

The undersigned's file reflects that a complete Petition was prepared and submitted via facsimile on 6 March 2006. However, it is noted that our file reflected transmission problems and that two facsimiles were sent to complete the submission. Apparently, page 2 of the Petition was never received by the Patent Office.

The enclosed Petition is a true copy of the undersigned's previous Petition and includes the signature and the unintentional delay statement which the Petitions' Examiner indicates were omitted.

The previous Petition and all its enclosures are incorporated herein by this reference and the enclosures not duplicated herein.

The publication and issue fee and petition fees were all charged against the undersigned's credit card in March 2006.

The undersigned respectfully requests reconsideration, grant of the Petition, and revival of the application. The Petitions' Examiner is requested to call the undersigned if there are any questions.

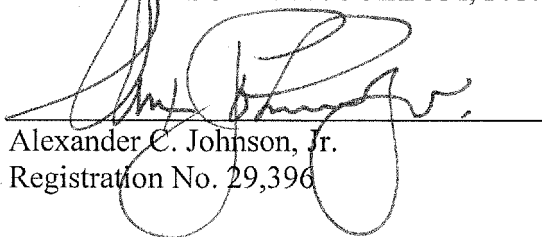

Respectfully submitted,

OFFICE OF PETITIONS

In re Application of
Shanqi Zhao, et al.
Application No. 10/757,028
Filed: January 13, 2004
Attorney Docket No. 1138-92

ON PETITION

This is a decision in response to the petition, filed March 6, 2006, under 37 CFR 1.137(b) to revive the above-identified application.

The petition is **DISMISSED** because it is unsigned.

37 CFR 1.33(b) states that:

Amendments and other papers filed in the application must be signed by:

- (1) An attorney or agent of record appointed in compliance with §1.34(b);
- (2) A registered attorney or agent not of record who acts in a representative capacity under the provisions of §1.34(a);
- (3) The assignee of record of the entire interest, if there is an assignee of record of the entire interest;
- (4) An assignee of record of an undivided part interest, and any assignee(s) of the remaining interest and any applicant retaining an interest, if there is an assignee of record of an undivided part interest; or
- (5) All of the applicants (§§ 1.42, 1.43 and 1.47) for patent, unless there is an assignee of record of the entire interest and such assignee has taken action in the application in accordance with §§ 3.71 and 3.73.

Further, a grantable petition under 37 CFR 1.137(b)¹ must be accompanied by: (1) the required reply,² unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(III)(C) and (D).

The petition lacks the unintentional delay statement noted in item (3).

This decision is made without prejudice to reconsideration. However, any request for reconsideration must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)" and the omissions noted above.
